“Sparking Curiosity” since 2000.

Since 2000, Amphibian Stage has produced innovative and engaging theater that inspires new ideas, opens new doors, and deepens our understanding of the vast world around us.

From our home in Fort Worth’s Near Southside—where we were among the first to take root in the now-bustling South Main Village—we’ve become a hub for creativity, adventurous performances, and fresh voices.

Recognized for Excellence

Amphibian Stage continues to push boundaries, nurture artists, and invite audiences into transformative experiences.

Dedication to this mission earned us the title of Best Performing Arts Theater by Fort Worth Magazine (2023 & 2024) and Best Theater Company by Fort Worth Weekly (2023).

The Heart Sellers (right) was named Fort Worth Weekly’s Critic Pick for Best Theater Production of 2025.

More than a Season Ticket

When you become a member at Amphibian Stage you gain a personal concierge. Email us to reserve your tickets, move your tickets, ask for restaurant recommendations, you name it.

Even more, you become part of a community of incredible patrons and artists right here in Fort Worth.
